

Thank you for your support

By choosing to give a regular gift to World Cancer Research Fund (WCRF UK) you will be making a real difference. Your ongoing support will help us to fund cancer prevention research and education programmes.

Research shows that **about a third of the most common cancers could be prevented** through simple changes to lifestyle. With your regular support we can fund further vital research into the link between lifestyle and cancer prevention.

Regular giving will make your generous donations go even further. Signing up to a direct debit will help us to plan our spending more effectively for the future.

Your support will help us achieve our mission

Over the course of a year:

£10 allows a child to join our Great Grub Club for a year, helping them to eat well and move more for better health.

£25 enables us to print and distribute 48 copies of our Informed newsletter for doctors, nurses and other health professionals, containing the latest facts and news on cancer prevention.

MAKE YOUR MONEY GO EVEN FURTHER!

If you are a UK taxpayer and would like World Cancer Research Fund (WCRF UK) to claim back the tax on your donations, please just tick the box below and fill in your details. For every £1 donated we will receive an extra 25 pence at no cost to you!

GIFT AID DECLARATION

I confirm I am a UK taxpayer. Please treat all donations I make or have made to World Cancer Research Fund (WCRF UK) for the past four years as Gift Aid donations until I notify you otherwise.
